Travel, Accommodations, and Special Needs

“One Place, One Time: Jackson, Mississippi, 1963”

July 14-19, 2013 and July 21-26, 2013

Travel and Accommodations

Jackson is home to the [Jackson-Medgar Wiley Evers International Airport \(JAN\)](#), and is serviced by five (5) airlines: Southwest, Delta, U.S. Airways, United, and American Eagle. Nonstop flights are available between Jackson and Dallas/Ft. Worth, Houston, Chicago, Memphis, Orlando, Atlanta, Charlotte, Baltimore, and Washington, D.C. [Taxi service](#) and [car rentals](#) are conveniently available for arriving participants. The drive from the airport to the Millsaps Cabot Lodge is approximately 20-25 minutes depending on traffic conditions and time of arrival.

Participants driving to the workshop will find that the Jackson metropolitan area surrounds the intersection of two interstate highways: Interstate 20 (running east to west) and Interstate 55 (running north to south). We are centrally located among a number of cities: Memphis (3 hours), Birmingham (4 hours), New Orleans (3 ½ hours), Nashville (6 ½ hours), Atlanta (6 ½ hours).

A block of rooms has been reserved at the [Cabot Lodge Millsaps](#) at the rate of \$89/night per room, whether for single or double occupancy. We will gladly facilitate the process by which participants wishing to share a room can find roommates. The Cabot Lodge provides a complimentary hot breakfast and a cocktail reception hour for all guests. Participants will have access to free wireless internet service in their rooms and throughout the hotel, in addition to several other amenities that will make your visit comfortable and convenient.

The hotel is conveniently located adjacent to the Millsaps College campus, where we will begin most of our mornings. Participants are less than five minutes from campus if they drive, and for those looking to squeeze in a brisk, early walk, Millsaps is at most fifteen minutes from the hotel.

Special Needs of Participants

We consider our workshop a unique opportunity for our colleagues and will strive to make all reasonable accommodations for special needs. Millsaps College and the Millsaps Cabot Lodge are handicap accessible and we will be happy to make additional arrangements as we are made aware of them.

Our groups will be quite mobile as we tour historic sites, and Mississippi is quite hot and humid in July! All participants should bring comfortable shoes and light clothing for our time outdoors and a light sweater or jacket for our classroom time. Laptops and tablets are welcomed and encouraged when used respectfully and judiciously. Wireless access will be available and free both on the Millsaps College campus and in your hotel.

Please do not hesitate to contact us about any concerns or questions you have as you prepare to apply.
